TECHCOM
WORLD-CLASS TECHNICAL SERVICES

CORE COMPETENCIES

Techcom, Inc. is a certified SBA WOSB Company that is a customer-driven, quality-oriented company, located in the heart of Indiana. Since 1976 we have been providing our clients with state-of-the-art marketing solutions, tradeshow display pieces, training cutaways, eLearning, and technical communications. With our years of knowledge and a team of technical designers, illustrators, and fabricators, we offer a one stop shop removing the need for multiple vendor acquisition. Combining our expertise in both physical and digital assets, collaborating with marketing groups, trainers, and engineers, our team specializes in finding the right solution to best display and interact with your product.
